### \*\*\* PROJECTS \*\*\*

Manistee County has a wide variety of road projects this summer!

Visit our website at [www.manisteecrc.org](http://www.manisteecrc.org) for a list. One of our major projects will be the replacement of Red Bridge over the Manistee River. If there is a construction crew working in your Adopt A Road segment, please avoid that area and clean it at a different time.

### RENEWALS

Some groups will see a renewal form included with this mailing. Please review the information that we have on file, sign, and return as soon as possible. If you cannot fulfill your commitment please let us know so we can assign a new group to your section.

County snowfall as of  
March 27th is  
155"

Last year at this time - 94"

Our Board of County Road Commissioners recently attended the County Road Association's Highway Conference held in Lansing. Road Commissioners from across Michigan donate gift baskets for the Roads+ Silent Auction. Roads+ is the political fundraising arm of CRA, bringing together people who understand the value of good roads and bridges. Thank you to the generous donors throughout Manistee County!
