| <u>Summary of 2024 Bids for Hot Mix Asphalt (HMA) Paving and Patching Materials</u> | | | | | |
| (Materials are picked up by the MCRC at the Plant) | | | | | |
| Bids Due: 2/28/2024 | | | | | |
| Bid Item #2 - Hot Mix Asphalt Paving and Patch Materials | | | | | |
| | | | Elmers Crane & Dozer | Rieth-Riley Construction | Ron Brown & Sons, Inc. |
| | Plant Locations: | | Traverse City, MI | Ludington, MI / Manton, MI | Bear Lake, MI |
| | Remarks: | | | | |
| N/A = Not Available | | | | | |
| Notes: | | | | | |
| 1. The Bidder shall provide the type and specifications for any alternate HMA mixtures with the bids for consideration by the Manistee County Road Commission (MCRC). | | | | | |
| 2. The MCRC intends on purchasing these materials when they perform pavement repairs, pavement patches, wedging, and other work activities that require HMA mixtures. | | | | | |
| 3. MCRC will need to consider project site locations and needs when deciding where to purchase the HMA materials and verify if the plants are producing material on the specific days needed. MCRC trucking costs are a main consideration when determining where to purchase the materials. Will likely purchase the HMA materials from Ron Brown & Sons when HMA is needed for routine pavement patching of large potholes using our 2 ton capacity hot patchers (subject to their current HMA material prices). | | | | | |
| The 2024 HMA Paving and Patching Materials were awarded to all three of the bidders during the Manistee County Board of County Road Commissioners regularly scheduled Board Meeting on March 13, 2024 MCRC staff will decide where to purchase the HMA materials based on the MCRC needs, projects, type of materials needed, and the project locations in the best interest of the MCRC | | | | | |
