Evaluating Seasonal Weight Restrictions (SWR) on County Roads to accommodate COVID-19 relief

The Manistee County Road Commission (MCRC) will work with and exempt motor carriers and drivers that need Seasonal Weight Restriction (SWR) relief so that they may provide direct assistance related to the COVID-19 outbreak.

Direct assistance means transportation and other relief services provided by the motor carrier or its drivers to allow immediate restoration of essential services including medical care, food supplies, and the like.

Motor carriers and drivers need to contact the MCRC at 231.889.000 in advance if they need to use weight restricted County roads to provide direct assistance related to the COVID-19 outbreak.
